

ABOUT ME

Hi, I'm Melissa! I've been capturing life's most beautiful moments through my lens for over 13 years. As a mom of three, I understand how fleeting time can be, which is why I'm so passionate about preserving memories that last a lifetime.

Photography is my heart and soul, and my favorite genres to shoot are boudoir, graduations, children's milestones, and weddings. There's something magical about freezing moments of love, joy, and celebration. I especially love working with couples who are down-to-earth, relaxed, and ready to have a blast—because let's be honest, weddings should be fun and a little bit quirky! I adore weddings with personal touches that break away from tradition and truly reflect the couple's unique style.

When I'm not behind the camera, you can find me enjoying life with my kiddos—camping, diving into a good bullet journal, or indulging in my love of Mexican food and music. If you're a couple who embraces the unconventional, loves to laugh, and isn't afraid to get a little weird, I'd love to be part of your big day.

Let's make some magic together!
